

Certificate

Indoor Air Comfort

MARMOLINE PRIMER

Certified Product

NORDIA S.A.

1st km Malakasas-Markopoulou Road, 19011 Malakasa /Attica, Greece

Applicant

The above product complies with the Indoor Air Comfort specifications, version 2026. These include both inspection of factory production and VOC emissions testing according to EN 16516, at regular intervals.

Indoor Air Comfort combines all mandatory European regulations on VOC product emissions. Additional requirements not related to VOC product emissions, for example content of certain substances are not combined or evaluated.

The following VOC regulations are combined and the certified product shows compliance with these VOC emission related limit values:

AgBB/ABG (Germany)
Belgium Regulation
EU Taxonomy Regulation
France VOC class A
Italian CAM Edilizia
REACH Formaldehyde Regulation

Issue date: 24 April 2026

Validity date: 24 April 2031

Product category: Wall primers

Certificate number: IAC-450-01-03-2026

This certificate is valid as specified if regular surveillance and testing is done.

Appendix to Certificate IAC-450-01-03-2026

NORDIA S.A.

receives the Indoor Air Comfort certificate with validity 24 April 2031

for below product group, including subgroups and individual products as listed:

Product group: MARMOLINE PRIMER

Product category: Wall primers

Products included:

MARMOLINE MST 10c
MARMOLINE MST 11
MARMOLINE PAINT PRIMER MAX
ND MICRO PRIMER

The products in this group are based on identical or similar recipe and are produced under equivalent conditions. Grouping of the products and inspection of the production process is part of the Indoor Air Comfort certification. A worst-case product, which is representative for the whole group, is being tested frequently.
